### California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Mr. Joe Nicholas Limov, Principal

Principal, Union Hill Middle

#### About Our School

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. Most data presented in this report are reported for the 2016–17 school year. School finances are reported for the 2016–17 school year. Contact information, facilities, curriculum and instructional materials, and select teacher data are reported for the 2017–18 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

### School Description and Mission Statement (School Year 2017-18)

The Union Hill Elementary School District was established in 1868, with only a few students in a one-room schoolhouse.

Since that time the district enrollment grew to over 800 students and now consists of a traditional K-8 program at Union Hill School, with student population of just over 700 students, and the Bearcat Discovery Program, which is the district's preschool and infant through eighth grade childcare program. The District continues to expand and modernize its facilities, with the recent addition of a new gymnasium and a two-storey 6th, 7th and 8th grade classroom wing. Even with the modernization projects the district continues to provide a school environment that symbolizes its rich history and tradition.

Union Hill School District has a rich history beginning as a one room school in 1868, and growing into the trademark for excellence in education that it is today. Our district features an outstanding preschool through eighth grade articulated and enriched academic program taught by staff who are devoted to the academic and personal well being of every student; and an acclaimed before and after school extended child care program. Our integrated technology and art programs, band, choir, after school sports program, and the most supportive and productive Parent Teacher Club in the county enhance the high quality student learning in Union Hill School District!

Every child deserves the best education our schools can provide. We have high standards and expectations for academic achievement and student citizenship. We are an embodiment of the things we believe in. We are dedicated to doing all we can to sustain our "Tradition of Excellence." We believe that our schools are vital to the preservation of democracy. We are committed to the total development of our students into productive citizens and life-long learners. We are the Union Hill School District.

Our Core Values:

We focus on our students. Every conference, meeting, exchange, problem/solution is characterized by the quality of genuine caring about what is best for our students. Our success is measured by the success of our students.

We listen, respect, and include each other in our "educational" lives. We work as a team and know that issues often have more than one side. We handle controversy, deliberations, teaching, problem solving and future thinking with real care for the students and each other.

We recognize and celebrate the talents and contributions of our staff. We observe and appreciate the hard work of our teachers, support staff, custodians, office personnel, and administrators

We are a welcoming, friendly, and open community. We take pride in our entire learning environment from classrooms and student safety to buildings and grounds. We value our parents and community as essential partners in the learning processes necessary for student success.

We are proud of our ability to offer individualized attention and continuity of program to our students in a Pre-school to Eighth Grade setting. We function as an effective school system, a model for what the best in public education can be.

## School Facility Conditions and Planned Improvements

Union Hill Elementary School takes effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school district office.

### Maintenance and Repair

The maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A process is used to ensure efficient service and that emergency and safety-related repairs are given the highest priority.

### Cleaning Process and Schedule

The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance

Union Hill School District has a deferred maintenance plan to assist in budgeting for expenditures associated with major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. The district has created a schedule to implement projects that have been postponed beyond normal timelines due to curbacks in school funding in recent years. In 2016 and 2017 school facilities improvements included: sewage system repairs/replacement, irrigation system repairs, heating-ventilation-air conditioning replacement, minor appliance replacement, parking safety features, preschool playground equipment replacement, harmful brush and debris removal, fencing repairs, and sealing of cracks in the asphalt.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven (School Year 2016-17)

	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	54%	58%	46%	38%	48%	48%
Mathematics (grades 3-8 and 11)	32%	29%	35%	31%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## School Safety Plan (School Year 2017-18)

Union Hill Middle School and the Union Hill School District have developed a comprehensive safety plan which identifies major safety concerns and delineates specific prevention and action activities including community and local law enforcement agencies. District personnel participate in monthly meetings with representatives of various public safety agencies and schools to keep current on local community safety issues. In conjunction with District Goals and Priorities, Union Hill's safety plan ensures a safe and secure campus by maintaining a positive learning environment that uses prevention strategies, such as Peer Intervention, and emphasizes high expectations for student conduct. All staff wear name badges and all visitors to the campus are expected to check in at the office and receive a temporary visitor badge. All staff have been trained in the identification of hazards and appropriate procedures for action.

## Professional Development

There are two dedicated professional development days in the school calendar. In addition, the district provides monthly team meetings, staff meetings, flex meetings, and 14 early-release collaboration days. Student achievement data and staff surveys combine to inform our choice of topics for professional development. This year the district focus included math adoption, English language arts adoption, and behavioral interventions.
